

Buckler's Hard

Not quite but it was really sunny

Well on a sunny day you have to get the bike out, so C12 set off from our meeting point for the Hard. I had recently found a quite route, so Barry asked me to lead. We had a really nice ride down, with just the one obligatory U turn, just to keep Peter happy, and then through Romsey, the New Forest and into the Hard.

Cream teas were enjoyed before most of us took a short boat

trip along the river, where we were given the usual tour talk. Beer, ice cream and good company made for lovely day out. A no U-turn ride back to finish off.

A beautiful setting, Bucklers Hard is a great place for a relaxing day out. I hope we can go back again next year.
